All investments are subject to risk including possible loss of principal.

Investment income may be subject to certain state and local taxes, and, depending on your tax status, the federal alternative minimum tax. Capital gains are not exempt from federal taxes.

Investments in foreign securities are subject to additional risks such as erratic market conditions, economic and political instability and currency exchange rate fluctuations. Emerging markets may accentuate these risks. Small Cap and Micro Cap investments are subject to greater volatility than investments in other asset categories.
